Comforts

Christians for Israel (C4I) is a **non-denominational** movement.

We believe that God is still **faithful** to **all**

His covenants with, and promises to **the nation of Israel**.

Christians of all denominations and backgrounds should be **united in their love for the Jewish people**, in their support for the nation of Israel and in their collective repentance because of Jewish suffering throughout Church history.

Our mission is to bring **Biblical understanding** in the Church concerning God's purposes for Israel and to promote comfort of Israel through **prayer and action**.

A Worldwide Message of Hope for Israel and the Church

The more one studies the history of the Jewish people, the more one is struck by the veracity and authenticity of God's Word. And therefore how relevant God's Word is today.

God is a God of history. He is moving and shaking the nations towards the fulfilment of His purposes. We all have a role to play.

The Christians for Israel ministry is called, firstly, to help Christians 're-understand' our identity as wild branches grafted into God's olive tree - in which the Jewish people are the natural branches (Romans 11). As Christians we need to understand that we have not REPLACED Israel, rather we have been ADDED to the 'commonwealth of Israel' (Ephesians 2). There is a HARDENING IN PART over Israel 'until the full number of the Gentiles has come in' (Romans 11).

And, secondly, we are called to enable Christians to comfort and strengthen the Jewish people in their hour of need (See Isaiah 40 and Romans 11).

Our ministry is rapidly developing day by day. One senses urgency in the need to get this message spread around the world. For example, our regional office in Kampala is working with key leaders in Uganda, Kenya, Tanzania, Zambia, Ethiopia and South Sudan, while the regional bases in Australia and New Zealand are developing networks in Papua New Guinea, Solomon Islands, Fiji, Cook Islands and other nations in the South Pacific Rim. In Asia, the Philippines is developing as regional hub for outreach into many nations in Asia. We have established an office in Brazil that forms a base for outreach into South America.

This Annual Report provides an overview of the activities of Christians for Israel International (C4I) from 1st January to 31st December 2015. Also included is the Annual Financial Report for calendar year 2015. Specific details about the activities and financial results of the national ministries are available on request.

Our global ministry is entirely dependent on gifts. We greatly appreciate your continuing prayer and financial support.

Christians for Israel A global movement

Vision

Our vision is to create a worldwide network of local C4I organizations and partners that are effective at the local level and financially self-sustaining, and which seek to fulfil the same mission, vision, values and beliefs.

The national C4I Affiliates enter into an Affiliation Agreement with C4I International, confirming their commitment to the global movement and the core C4I mission, vision, values and beliefs.

Since its establishment in the Netherlands in 1979, C4I has developed into a growing **global movement** of local C4I teams with **over 150,000 supporters** from **all Christian denominations**.

At present we have affiliates, representatives and partners in: Albania, Australia, Austria, Belgium, Botswana, Brazil, Cameroon, Cook Islands, Ethiopia, Fiji, Germany, Greece, India, Indonesia, Israel, Italy, Ivory Coast, Kenya, Malaysia, Netherlands, New Zealand, Nigeria, Philippines, Poland, Romania, Russia and Former Soviet Union, Rwanda, Sierra Leone, Singapore, South Africa, South Korea, South Sudan, Suriname, Switzerland, Tanzania, Thailand, Uganda, Ukraine, United Kingdom, USA and Zambia.

We believe that the Bible is **the inspired Word of God**, through which He reveals His loving purposes for all creation. God chose the nation of Israel as His instrument for the blessing of all the nations. The Bible teaches us that the Church has not replaced Israel. God's covenants with the nation of Israel are everlasting.

We support **Aliyah** (immigration to Israel) from many countries in the world, including Former Soviet Union, India, Ethiopia and France. C4I helped **130,000** people to build a future in Israel.

We comfort the people of Israel from **all populations in Israeli society**: Jews, Druze, Christians and Arabs. We do this by feeding the poor, helping Holocaust survivors, educating children, supporting Jewish communities in Judea & Samaria, and supporting and encouraging Arab Christians in Israel.

We help and encourage Christians to **pray for Israel** and the **peace of Jerusalem**, by sending prayer letters and organizing prayer meetings.

Christians for Israel brings numerous groups to Israel and wants people to experience **the true heart of Israel**, by meeting the Israeli people as well as visiting interesting sites. Through our tours we want to **encourage the people of Israel**.

Christians for Israel supports the State of Israel and the Jewish people, by **opposing disinformation, anti-Zionism and anti-Semitism, and fighting the boycott of Israeli products**. We do this by providing accurate information regarding Biblical, legal and historical issues to Christian leaders and media channels.

Together, each published edition of the newspaper was delivered in 2015 to about 100,000 addresses worldwide. The goal of 'Israel & Christians Today' is to help Christians to take God's Word seriously, and study current events in the world in the context of the Bible.

Under the leadership of C4I New Zealand Leader

Graeme Lee as Publisher and C4I International Director Andrew Tucker as Editor-in-chief, the English-language edition of our newspaper, Israel and Christians Today is printed bi-monthly.

Media and Educational Resources

C4I International continues to develop and publish a core package of teaching and educational materials. In February 2015 Rita Quartel, Manager Media & Resources, attended the NRB (National Religious Broadcasters) Convention in Nashville, USA, to enlarge the (media) network in order to optimize the marketing possibilities of all resources available.

Telugu ranks third by the number of native speakers in India (74 million), and thirteenth in the list of most-spoken languages worldwide. In November 2015 the book *Why Jerusalem?* was published in Thai. This is the third book of Rev. Glashouwer in Thai since the books *Why Israel?* and *Why End Times?* have already been translated.

Global Prayer Call Conference in Jerusalem May 2015

From 10th to 12th May 2015, about 400 participants from over 35 nations of all continents came together in Jerusalem in order to look back to the 100 days of prayer and (partial) fasting, bring this period to a close and ask the Lord for how to keep up the prayer momentum for the nations in their relationship to Israel in the future. During these days, there were many presentations, times of corporate and group prayer, and worship.

Harald Eckert called for the praying Church around the world, to understand the signs of the times and continue to seek the Lord as to how to keep the momentum on prayer for Israel and the nations alive and growing.

Aliyah

For many years now, Christians for Israel offers assistance to Jews to go to their Homeland Israel. We believe it is our Biblical task to assist the Jewish people with their return to Israel. After 2,000 years, there is finally a country that the Jewish people can call their home. Since the mid 19th century, and

especially since the establishment of the State of Israel in 1948, millions of Jews in the Diaspora have decided to leave their country and make 'Aliyah' (literally: 'going up'). And this return to the land continues to the present day. The prophets of the Old Testament tell us that the Jews will return to the land from the four corners of the earth, in preparation for the coming of Messiah. We can see these prophecies being fulfilled before our eyes. Since 1997, Christians for Israel has helped more than 150,000 Jews home to Israel from the Former Soviet Union, Ethiopia and India.

Education in the land

We find it very important that the Jewish people are aware of their Biblical roots. Many Jews in Israel know little of the Bible. We therefore support several projects that encourage Biblical teaching. Among them are the Center for Jewish Studies in Savyon, the Hineni Center in Jerusalem and the Jaffa Institute in Beth Shemesh and Jaffa. Through these projects Jewish children are shown that God is in an eternal covenant relationship with the Jewish people, and that He loves them and will be faithful to His promises towards them.

We also support Arab Christians in Bethlehem and the Galilee who spread the gospel among Arabs and share their love and heart for Israel and the Jewish people.

Survivors of the Holocaust (Shoa)

The Second World War ended seventy years ago. But for most survivors the Holocaust (Shoah) never ended. The trauma that the survivors struggle with on a daily basis is amazingly deep. Many of their relatives were murdered during the war. To make matters worse, there was no understanding of their trauma after the war or people did not believe what had happened. Some survivors were unable to function normally because of the deep trauma, and ended up living in poverty. Today, these survivors are living with the immense pain. The survivors are now elderly, and there is a growing demand for practical assistance. C4I International supports various projects in which assistance is provided to survivors of the Holocaust.

Jewish Communities in Judea and Samaria

Judea and Samaria (often referred to as the 'West Bank') is the birthplace of the Jewish people. We believe that, while foreigners are also allowed to live there, Judea and Samaria are part of Israel's inheritance. We help to build communities in the heartland of Israel. We help to feed the poor, contribute to medical help, and invest in the future of youth who need assistance to stay on the right track. Through these projects we share a message of encouragement and comfort.

Feed the poor

Israel is known for its prosperity, economic stability and high standard of living. We often do not realize that there is another side to this as well. It is the harsh reality of poverty and hunger in which hundreds of thousands of Israelis live every day.

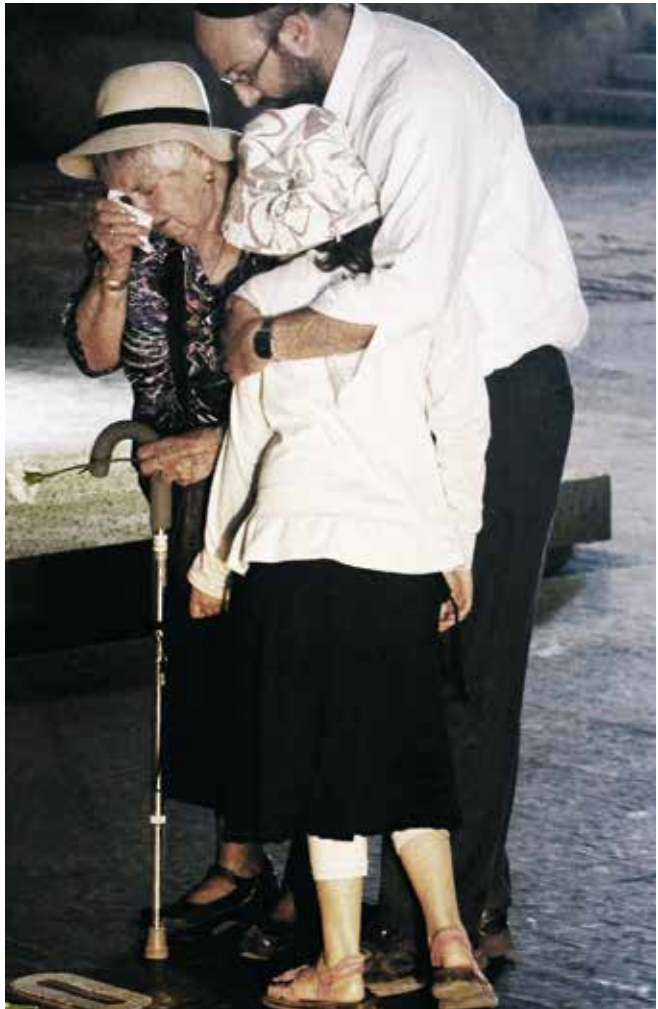

Many Israelis depend on charity projects. Christians for Israel wants to help the poor of Israel, by providing them with food. We do this in partnership with the Hineni Center in Jerusalem, headed by Benjamin Philip. We also provide food to children at the boarding school of the Jaffa Institute. The Jaffa

Institute currently helps about 4,500 children.

Shelters in Ukraine for Jewish refugees

In May 2014 the first Jewish refugees came from the East of Ukraine to Kiev and 'knocked' on the doors for help! They were fleeing the war that had broken out. At first the refugees were sheltered in different places all over Kiev. Later C4I Ukraine rented two huge places in Dnepropetrovsk. These shelters have been set up in cooperation with the Jewish Agency, and the Christian Aliyah Alliance Ukraine (of which Christians for Israel is a part). Christians for Israel also has its own 'shelter' in Kiev, which accommodates up to 40 Jewish refugees. Most Jewish refugees stay in these shelters between two weeks and a maximum of two months. In this time, we help them get their paperwork prepared in order to make Aliyah.
